Nope. He mentioned in the meeting that there was a public meeting but nothing about a conflict. Maybe he will do both?

Thanks for checking

Uh oh. Did Vince get back to you?
That's the IRIS PSM for TBA and BaP.
Maybe he is planning to do both?

I will check calendar when I am in.

Sorry -- just noted this is the 30th not the 29th. Details below still apply.

Subject: IRIS prebrief - June 29

Hi all --

Proposed topics for the IRIS prebrief on June 29: IRIS Handbook, Non-cancer hazard descriptors (update from the STPC meeting), IRIS Update

Anything else you'd like to add, please let me know. If we have any chemicals heading our way for review, can you also tee that up for me? Bob's schedule is pretty tight the new few months so would be good for me to have these in mind.

Thanks,

Maureen
